CLINIC / TRYOUT INFO

MEMPHIS ELITE DESOTO

INTRO

Hello! We are so glad you are interested in cheer & dance! Memphis Elite Desoto is a newer gym in Desoto County that has a passion for the sports. Our mission is to enrich the athletes and families lives through the sport of cheer and dance. Our ambition is to teach our athletes lifelong lessons through team work, determination, self-confidence, and leadership. With the families help, they will understand dedication and commitment. Get ready for some of the most unforgettable best times, because this is not like anything you've ever done before!

TRYOUTS

Tryouts will be used to help the coaches place the athletes on teams. At tryouts, athletes will show the skills developed and demonstrate potential to learn new skills with a short routine. **EVERYBODY** will make a team! In the rare instance that there isn't a strong placement for your athlete, then we will contact you to discuss options (refund tryout fee, etc).

CLINICS

Clinics will be held the week leading up to tryouts. Clinic attendance is highly recommended. These will serve as extra time for the athletes to learn a routine and for the coaches to give the best evaluation of each athlete. There will be two cheer clinics on Monday, April 23 and Wednesday, April 25. Dance clinic will be on Wednesday, April 25. If enrolled in a clinic prior to April 11, a free t-shirt is included.

MEMPHIS ELITE DESOTO

PRACTICE/ATTENDANCE

All teams will have practice at least 1-2 times a week. For All Star ELITE, a third weekly practice will be scheduled. The first kickoff practice for all cheer & dance teams will be around Monday, May 14. More details on practice will be available at Clinics/Tryouts.

PRICING

Competitive cheer / dance is a time and financial commitment. Please remember this as you consider these highly competitive sports.

Memphis Elite Desoto offers one of the most competitive rates compared to

other programs in the area. How we break it down is there is a fixed monthly tuition for each team that will include most expenses throughout the year which will start on June 1st. This monthly tuition also includes the unlimited tumble classes! The other separate costs that are not included are cheer/dance attire (uniform, practice wear, etc).

The first payment is standard for everyone (\$300.00) except All Star Tiny NOVICE (\$150.00). The first payment covers annual fees (USASF fee, insurance, etc) and practices/tumbling during the month of May. This will be due by the first practice or tumble class in May. Unlimited tumble for the month of May is included in this payment.
